I present this beautiful renovated townhouse in Punta Prima, Orihuela Costa. It consists of two connected but independent houses. It is located just 400 meters from the sea. The property has a spacious 260 m² built area, offering a generous layout. It has 2 large living rooms, 2 fully equipped kitchens with furniture and appliances, 4 bedrooms, and 3 bathrooms. A bright south-facing terrace is perfect for sunbathing and filling the home with light. Outside, you'll find a magnificent private heated pool, a barbecue area, and a parking space. The entire garden and terrace are equipped with night lighting, providing a magical ambiance on starry nights. What makes this home unique are its solar panels and its fireplaces: a conventional fireplace and an electric one. It's perfect for a large family! Don't miss this opportunity.
