New development of 120 apartments in Gran Alacant, in Cabo de Santa Pola, very close to the natural park of Clot de Galvany and a short distance from the beaches of Carabassi.

Located to the south of Alicante, between Altet and Santa Pola, it allows you to make the most of everything this beautiful province offers: great climate, gorgeous beaches, nature, delicious cuisine, culture, excellent transport connections and good infrastructure. The two and 3-bedroom, 2-bathroom apartments have a carefully designed distribution and enjoy beautiful views of the communal areas, the natural environment or the sea, and the pool and private gardens at the development.

These new apartments are built to a very high standard and form a lovely residential with pools, private underground parking, a storeroom, garden areas, and a children's play area.

The natural surroundings, a magnificent location between and the stunning dune beaches make the new Amara apartments from Taylor Wimpey España one of the best possible choices if you wish to buy a home on the Costa Blanca. Expected completion date: June 2024
