Beachfront south to east facing 2-bed apartment in La Herradura, in Puerto Banus. This property's highlight is the unbeatable frontal sea views from the terrace. The terrace is very spacious and in enclosed with glass curtains, which allows you to enjoy sea and sun all year round. The living room is large. The kitchen is independent and fully equipped. The master bedroom is large and includes an en-suite bathroom. There is another guest bedroom and bathroom. The property includes in the price a parking space and storage/bedroom with bathroom and daylight. The furniture is negotiable. The common areas are extremely well-kept and include garden and community pool. The best part is that the residential has direct access to the beach. The location is ideal, within walking distance to to Puerto Banus and surrounded by all amenities you might need.
