Nueva Andalucía is a well thought out and attractive area just west of Marbella where, as its name suggests, the villas and apartments are based on traditional Andalusian architecture and design. Nueva Andalucía is the largest neighbourhood in Marbella, extending over several square kilometres. The key attractions today are the large residential estate, reasonable access to the highway and Marbella and, for many, a short taxi ride home from the Puerto Banús nightlife. Being a large residential area it has plenty of small commercial centres and restaurants for those who don't want to venture out on a rainy or sunny day.
